SPONSOR PACKAGES

ABOUT THE INAUGURAL LAB-GROWN DIAMOND SYMPOSIUM

Building on the success of its inaugural event in 2023, DMCC presents the second edition of the Lab-Grown Diamond Symposium 2025. This event will bring together global leaders from the lab-grown diamond and technology industries to discuss the future of the sector. This high-profile event provides a platform for influential conversations on the emerging trends and innovations that are shaping the future of lab-grown diamonds.

Designed for industry leaders, this symposium will focus on important topics that drive the growth and development of the LGD sector. This is your chance to influence the conversation and contribute to the industry's development.

WHY SPONSOR?

High-visibility branding across event materials, including digital platforms, signage, and event agendas.

Opportunities for direct engagement with industry leaders and decision-makers.

Access to pre-event and post-event marketing campaigns, ensuring your brand stays in the spotlight.

Invitations to exclusive networking sessions and opportunities to invite your clients to attend.

Customisable sponsorship packages tailored to meet your company's goals and budget.
